PRESS RELEASE

MEChA's 27th Annual
MEXICAN INDEPENDENCE CELEBRATION

The 16th of September is Mexican Indepedence Day, it is celebrated by Chicano communities throughout the Americas because it is the day that the "Grito" (Call) was made for Mexico to sever colonial ties with Spain.

This year Movimiento Estudiantil Chicano de Aztlan (MEChA) and its co-sponsors are proud to bring you two evening events. The first is, "El Calendario Azteca y sus Dioses," presented by Daniel Gaytan at MECHA, 710 University Av, Rm 205, from 8-10pm. on September 16th. The second event is a Baile (Dance) Chicano, with a Milwaukee conjunto band, Los Leos, at Memorial Union-Tripp Commons, from 8-12:30am. on September 17th.

We hope you come and enjoy our 1994 Mexican Independence Celebration. For any further questions please call Sergio at (608) 263-4830.
