THE 602 CLUB - 1951 to 1994

We will conduct business for the final hours on the evening of March 5th, 1994, from 5 until 10 pm. You are cordially invited to attend the party being held for the many devoted regulars - or as Dudley preferred, "irregulars" - and the present crew of loyal and top notch bartenders.

For a donation of $6.02 per person you will partake in food and beverages. Come and enjoy the company of the many customers who have played euchre, cribbage, rap, and dirty clubs; talked politics; listened to jazz, blues, R&B, country and Phil Harris; consumed tasty brats; imbibed and overimbibed; laughed at the bartenders' jokes; tried to beat Dudley at the infamous card table; cashed checks; watched sports; downed a shot; attended a "cup game"; brought in fish from Goeden's; studied for an exam; met with a prof for a cocktail; or celebrated a special event.

The bar was truly Dudley's Place. I hope you always enjoyed your visits to my dad's home away from home. May your memories of **THE SIX** be positive and everlasting.

Thank you for your patronage.

Sincerely,

Ja-Ja Howe of the "House of Sparkling Glasses"

Please bring this **TICKET** and $6.02 to the **SIX-O-TWO CLUB** on Saturday, March 5th, between 5 and 10pm. If paying by check, make it out to: **THE DUDLEY HOWE MEMORIAL SCHOLARSHIP FUND.**
