

LAS "SOLDADERAS"

And now the rebel army
has done a thousand deeds,
they've taken town after town,
to everyone's surprise.

But no one should be surprised
when a sovereign people
take rifles in their hands
and dare to do anything, anything

Y el ejército insurgente
mil proezas realizó;
plaza tras plaza tomó
y asombro fué de la gente.

Mas nadie asombrarse debe
cuando un pueblo soberano
aprieta el fusil en la mano
y a todo, a todo se atreve
